<p>Pastor Dale Update</p>	<p>See attached. John suggested we include short programmatic report from other staff in monthly report—Dale mentions Chad/Darla/Sue. Further discussion that perhaps respective employees write the report themselves Pastor Dale will speak to staff regarding this.</p>		<p>Dale—check with Chad, Darla, ? Sue Re: monthly update.</p>
<p>Election of Board Officers—Shelly Hill</p>	<p>General discussion regarding nominations. Ballot recommended: Ray Valley, President; Shelly Hill, Vice</p>		

	<p>President; Joel Frost, treasurer; Marci Gaertner, secretary. Joel motioned, John seconded – approved as above. Recommended that we re- visit board/committee liasons at March meeting.</p>		<p>Shelly— board/committee liasons for March mtg</p>
<p>Parish Nurse Position—Pastor Dale</p>	<p>Dale questioned whether we take the Lakeview job description and let new nurse determine her own changes to job description vs adding Becky’s list of activities to the current job description. Overall feeling that it would be good to set some of our own expectations. Shelly/Dale will put together expectation list based on Becky’s roles and add to job description. OSLC parish nurse budget set for 20 hrs/wk. Parish nurse will be a Lakeview employee and OSLC will pay Lakeview for services. Request that Joel get the exact total annual cost for the position. Per Shelly Rock at Lakeview, it will take one week once job description received from OSLC to post the position. Shelly Rock will interview potential candidates and OSLC will do the final hiring. Joel began motion to approve 20 hrs/week for parish nurse as a Lakeview employee. Motion withdrawn as cost not yet known. Discussion that we could do virtual meeting to approve final cost once known but for now Joel moved that we begin process above for hiring of parish nurse, Ray seconded. Approved. Joel will contact Shelly Rock to get cost/salary. Dale will post the updated job description on dropbox but agreement there is no need for council approval of job description.</p>		<p>Shelly/Dale— add Becky’s roles to current parish nurse job description.</p> <p>Joel—get final annual cost of parish nurse position. ?virtual vote once salary cost determined.</p>
<p>Ecumen Update—Joel Frost</p>	<p>Joel provided and reviewed handout for tangible, intangible criteria for the board and eventually congregation regarding Ecumen sale. Discussion</p>		

	<p>regarding possible questions that could arise. Biggest question to be answered being that of further expansion of physical space for OSLC. Meeting with Tom Peterson , Station 19 architect Monday 2-20-17 to discuss potential remodel options, possible variance questions, etc. Anonymous donor funds will cover cost of Station 19 meeting.</p> <p>Related: Note date of March 5 for next meeting with congregation and Ecumen. March 6 for meeting with neighborhood and Ecumen at OSLC—encourage OSLC attendance. March 12 for vote on sale by congregation. Due to bylaw requiring three week notification of vote, will need to begin this process this Sunday February 19th via bulletin, e blast, announcements. Joel was thanked for his work as the board rep for Ecumen project.</p>		
Holy Cow CAT Survey—Ray Valley	<p>Recommendation by Ray that we table another CAT survey in view of Ecumen project/timing. Shelly encouraged all to look at the 2013 survey as there is still valuable insights to consider.</p>		All —review 2013 CAT survey results in dropbox.
Six Core Concepts—Pastor Dale	<p>Pastor Dale called attention to the “Owl Sight” chapter on pastoral care and the 6 things a church must do well to have an energized church. These parallel the six core concepts outlined at retreat. Agreement that these core concepts will be included in an adult ed series. Due to Lenten series coming up, this will be pushed out 6 weeks. Still need title for the series?</p>		
Upcoming Initiatives & Congregation Dates—John	<p>John offered to create calendar for target completion dates on initiatives still remaining for the board such as</p>		Joel —getting update from

Lasswell	employee healthcare, timing of budget process each year, etc.		Doug on healthcare. John -initiatives calendar

Financial Update—Joel Frost	Joel reports giving, expenses, reserves are all on target.		
Future Meeting Dates: Board Meeting –March 16, 2017 at 7:00 pm	Additional: Meredith notes the VBS partnership with Trinity will not be happening this year. She expects OSLC will be able to handle VBS, perhaps mild concern regarding volunteers. No need for action but informing board. Ray motioned to adjourn, Marci seconded, approved.
